HUH?
Shortly before Kyon arrives at the park, Nagato sleeps on the bench.
Oww...
YOU'RE... ME?
THAT'S RIGHT.
AH... I'M DREAMING.
...YES.

CORRECT. EVER SINCE THEN, YOU HAVE BEEN ASLEEP,
AND I HAVE BEEN LIVING AS 'NAGATO YUKI' IN YOUR STEAD.

OH... THE ACCIDENT...

IT'S NOTHING SO DRAMATIC. YOU ARE SIMPLY DREAMING WHILE YOUR BRAIN REORDERS ITS MEMORIES.
WHEN YOU AWAKEN, YOU WILL FORGET THAT THIS CONVERSATION EVER HAPPENED.

Huh... that sounds like something out of a ghost story.

Th-then.
Oh!
OH, I SEE.
AH...
IT'S FINE IF YOU TELL ME
WHAT HAPPENED WHILE I WAS ASLEEP, ISN'T IT?
ぽっ

I REFUSE.

THAT IS SOMETHING YOUR BRAIN IS DOING ON ITS OWN. AS AN INDIVIDUAL, MY OWN PERSON...

BUT WHY? YOU SAID MY BRAIN WOULD GET THEM BACK ANYWAY, DIDN'T YOU?

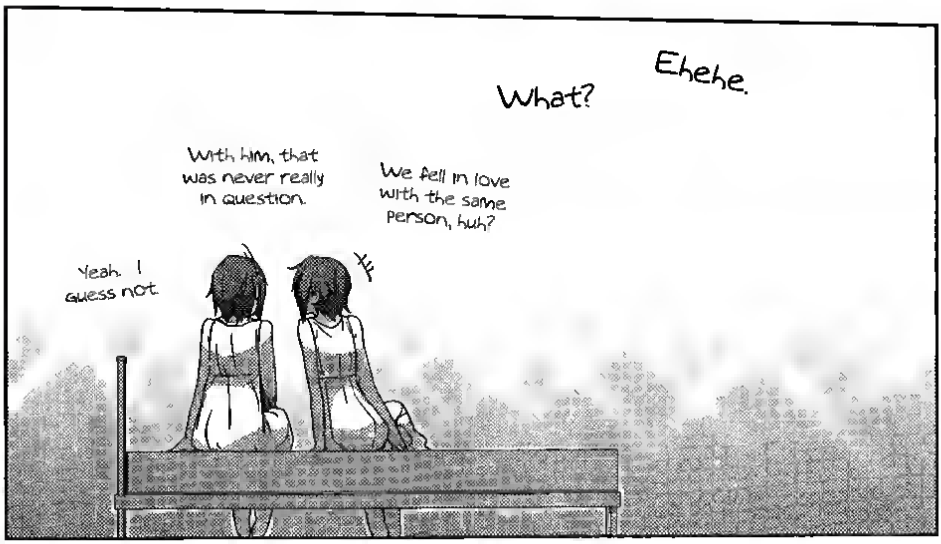
...I DON'T WANT TO ANSWER.
ぽっ
.....
.....
I WILL TELL YOU ONE THING...

I... TOLD HIM.
Eeh?!
EH?!
Eh?

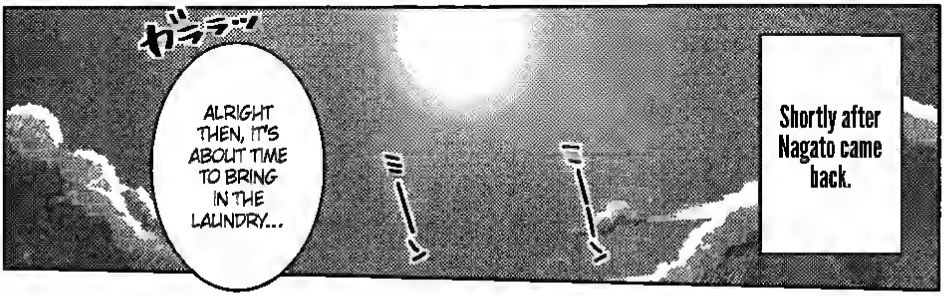
Wow... to think that I was able to do something so amazing...
I-I DID NOTHING MORE THAN TELL HIM WHAT I MYSELF FELT, AS MY OWN PERSON...
RIGHT, I UNDERSTAND.
THAT'S STILL AMAZING, THOUGH.
NOW...

Right

IT'S YOUR TURN.



Ehehe.
What?
With him, that was never really in question.
We fell in love with the same person, huh?
Yeah. I guess not.



ガラガラ
ALRIGHT THEN, IT'S ABOUT TIME TO BRING IN THE LAUNDRY...
Shortly after Nagato came back.

THANKS.

Mm.
NAGATO-SAN, CAN YOU GIVE ME A HAND? BRING ME THE BUCKET, PLEASE~

I STILL LIKE BOOKS, YOU KNOW.
I just like games more
WOW, YOU SURE WENT RIGHT BACK TO LOVING GAMES, DIDN'T YOU?

AHAHA! I'M JOKING.
Hey.
MANGAS ARE NOT BOOKS.
...DID YOU LIKE IT BETTER WHEN I PREFERRED BOOKS?

I'M KIDDING!
I... I SEE...
うるうる
SO I LIKED IT A LOT BETTER WHEN YOU WERE READING.
SURE DID. I DON'T REALLY LIKE VIDEO GAMES, YOU KNOW.
ぼんっ

I'M SORRY.
IT'S JUST... THAT'S A CRUEL QUESTION TO ASK ME, THAT'S ALL.
WHEN I CAME HOME THAT NIGHT...

SO TERRIBLY CONFLICTED...
YOU LOOKED...
WELCOME HOME, NAGATO-SAN.

BUT I THOUGHT ABOUT IT, AND BASICALLY THE CONCLUSION I CAME TO IS...
WELL, OF COURSE I WAS. I DIDN'T KNOW IF I SHOULD BE SAD OR HAPPY, SO I WAS ALL MIXED UP INSIDE.

AS FAR AS I'M CONCERNED, BOTH NAGATO-SANS ARE VERY PRECIOUS FRIENDS TO ME.
AND AS LONG AS YOU LOVE YOUR FRIENDS, IT DOESN'T REALLY MATTER HOW THEY ACT, DOES IT?
Really, don't worry about it, okay?
I'LL JUST KEEP TEASING YOU THE WAY I ALWAYS HAVE.
ヒョイッ

R-RIGHT!
OKAY?
Ah...
INCIDENTALLY, TEASING STILL MEANS I'M UPSET WITH YOU.
SWIM-SUITS?
OH... WE'LL HAVE TO BUY NEW SWIMSUITS.
BUT WOW... IT REALLY IS HOT OUT, ISN'T IT? SUMMER CAME QUICKLY.

Oh, wow.

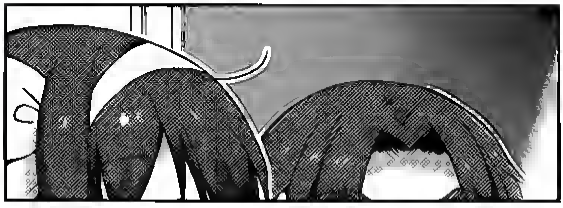
Just when I thought you might actually be hanging back to give us directions...
Oh, you said they bit your back, right?
If you'd like, I can get that for you.
Oh, sure, tha...
You...
Heh heh. I was back here, so they didn't get me at all!
I have some anti-itch cream, here, take some.
GOD, I'M ITCHY! HOW DID THEY EVEN BITE ME ON THE BACK?!

TO CALLING

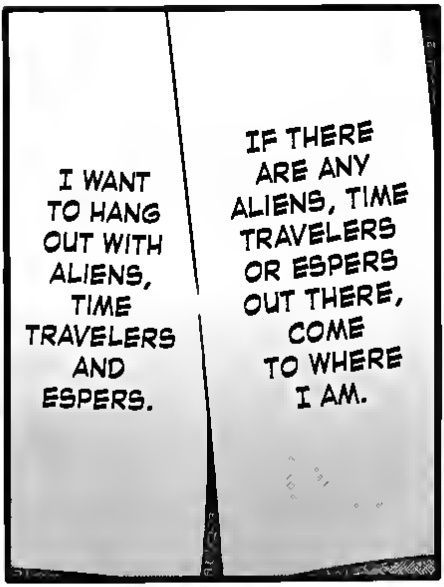


TL NOTE: SMALL STRIPS OF PAPER ON WHICH POEMS AND WISHES ARE WRITTEN FOR TANABATA

Condi-tions?
Okay, everyone! There are conditions on these wishes!
ばん
A wish, huh... what should I write down?
EH?! I WAS RIGHT?!
GA AA AA AH!
Here's the thing! Who do you think grants the wishes you make on Tanabata?
You're not going to tell us that it's Orihime and Hikoboshi, who are the stars Vega and Altair, and so we have to make wishes that we want granted in whatever span of time it'll take for the wishes to get there, are you?
But that's just for the one way trip, isn't it?
Twenty-five or sixteen .. we should write two just in case.
Oh, come on sorry, sorry! Fine, let's write wishes with those conditions. It's twenty-five and sixteen years, right?

What did you wish for?
Okay, everyone! Once you've written your wishes down, stick 'em on the tree
ピッ

Ow ow ow ow ow!
ぼーん
Me? Oh...
I bet you're thinking something rude, aren't you. Well then, Mr Smarty Pants, what did you write?



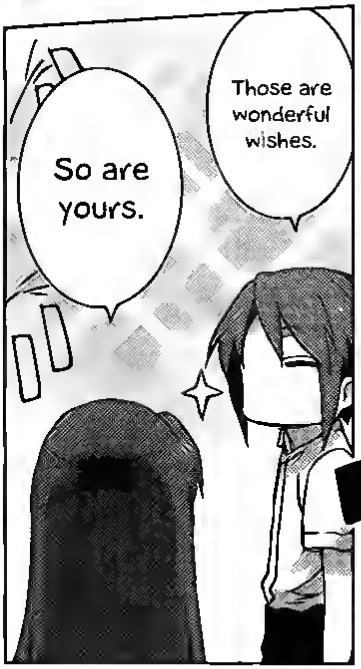
I WANT TO HANG OUT WITH ALIENS, TIME TRAVELERS AND ESPERS.
IF THERE ARE ANY ALIENS, TIME TRAVELERS OR ESPERS OUT THERE, COME TO WHERE I AM.

ぱぱん
Suddenly get better grades in sophomore year
Win the lottery in sophomore year

Such common wishes. I see you're not holding high hopes for your chances in school next year
I'm just hedging my bets, okay?

Where should I tie them on...

Peace on Earth; Keep my family safe



Those are wonderful wishes.
So are yours.

Safety
Good health

Shall I hang them up for you?
Oh, thanks.

Oh, Nagato.
You don't need to hang 'em so low. Here, let me-

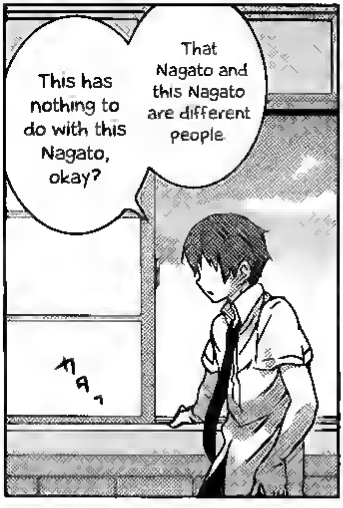
Were you confessed to by that other Yuki or something like that?

You've been acting strange around Yuki lately, you know.

Ah...
Oh... I was right?
How... how did you know about that?
ギ

Gh...
Huh... so I was right, huh...
I heard the story from Ryouko after Yuki woke up, and seeing you acting a bit weird, I thought I'd ask for kicks, but...



This has nothing to do with this Nagato, okay?
That Nagato and this Nagato are different people.

Look...

Why not go out with her, then?
So you found out kind of by accident, I guess, huh?

It's a pretty weird situation, isn't it? And she doesn't remember at all...
And trust me, it'd be easier if that wasn't the case, but...
Got it?
And you don't remember either, do you...
H-hey you, what do you think you're doing?

Huh?
Oh well. You'll do — c'mere and give me a hand.
Huh? That's obvious, isn't it? I'm breaking in.

Do you think aliens exist?

Maybe they do.

Yeah.

Well, I think it's okay even if she doesn't remember.
Back then, I was...
Day by day, gaining everyday common sense...
This is important to you too, isn't it?

I...
But that night...
When you helped me out, even though you didn't want to...

...and despairing as I lost my sense of the extraordinary.
Since it's such a big deal, it's no wonder you're so worried.

I don't think it's weird at all.
When you helped me with my stupid prank, and told me you felt the same way...
Though maybe it is a bit strange to see you so worked up over matters of the heart.
I think you saved me that night.

Of course. Everything sounds more exciting that way.
Geez... do you have to put it so dramatically?
Anyway, summer vacation's starting soon. You don't want to start that off on the wrong foot.
...No, I guess not.

Don't worry, don't worry. Think of it as me returning a favor.
A favor?

HEEEEY, SUZUMIYA-SAN! KYON-KUN!

...sorry, Haruhi. I don't usually get like this.

TSURUYA-SAN AND ASAHINA-SAN ARE HERE! THEY BROUGHT DANGO, SO LET'S EAT!
THEY'RE GOOB!

長門有希ちゃんの消失

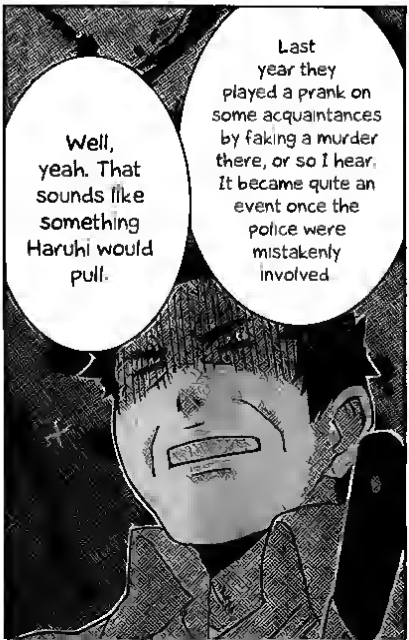
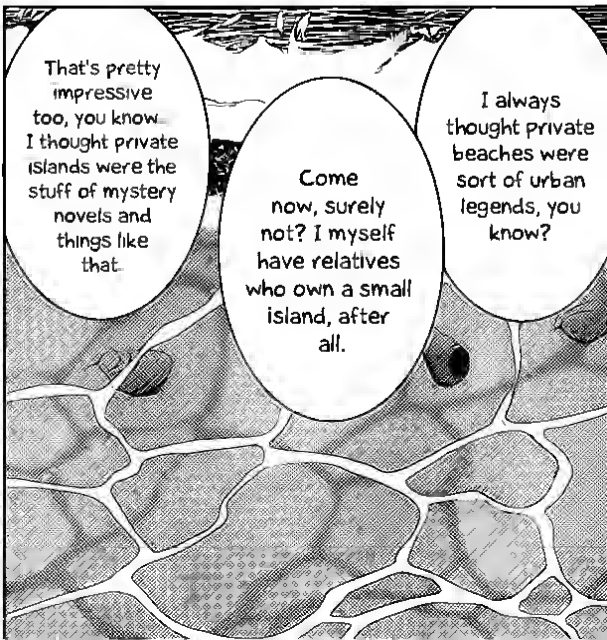
Wow... the water's so clear.
Beautiful, isn't it? And no people around at all. This really is a private beach, I suppose.



Last year they played a prank on some acquaintances by faking a murder there, or so I hear. It became quite an event once the police were mistakenly involved.
Well, yeah. That sounds like something Haruhi would pull.



That's pretty impressive too, you know. I thought private islands were the stuff of mystery novels and things like that.
Come now, surely not? I myself have relatives who own a small island, after all.
I always thought private beaches were sort of urban legends, you know?

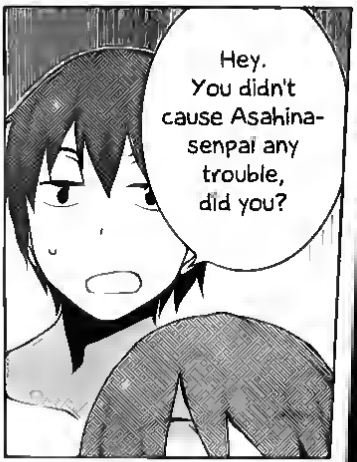
Kyon-kuuuun!



Hey. You didn't cause Asahina-senpai any trouble, did you?

I don't think so. She was just helping Mikuru change, so they should be here pretty soon.

NOW THAT IT'S SUMMER, MIGHT SHE FIND THE COURAGE...?

ブロロロロ

HEEEY!
WE'RE
OVER
HERE!

A mountain?!

The second night of the trip - the Tsuruya family villa.

A test of courage?
I figure everyone's gettin' kinda sick of the beach by now, right?
And since it's summer an' all, why not? I know the perfect place, too.

I see...
No, it's a little far, so we'll go tomorrow
What, so right now?
Uh, you lost me there.
A test of courage... with ghosts and monsters and demons... the spirits of defeated soldiers... sword hunters...
ペナ——
Looks like...
Testing courage, testing courage!
Hey, wait, are you gonna be okay with this?
Say, Asahina-sempai, do you know the place she's thinking of?
A test of courage, huh... oh!
I-I-I'm not scared!
Aw, I bet some-one's scared...
Oh? You're looking a little pale there, Ryouko
もぐもぐ

She's quaking with fear?!
A-ASAHINA SENPAI, CALM DOWN!
...WAIT A MINUTE. JUST WHAT IS THIS TEST GOING TO ENTAIL?!
WE'RE GONNA SEE SOME GHOST SOLDIERS FOR SURE!
HARUHI, SHUT UP ALREADY!
Sorry, everyone... I'm fine. There won't be any ghosts.

Hey, Tsuruya-san!
Mikuru actually ended up full-on fainting last year...
But Tsuruya-san will have other things planned, which might actually be worse...
I was really scared, you know!
Well, regardless of what Mikuru says...
I'm not gonna do anythin' at all, so...
Oh, you liar!
Nah, I'm serious. Not a thing planned.
Suspicious as hell!

スイカ
WATERMELON, EVERYONE!

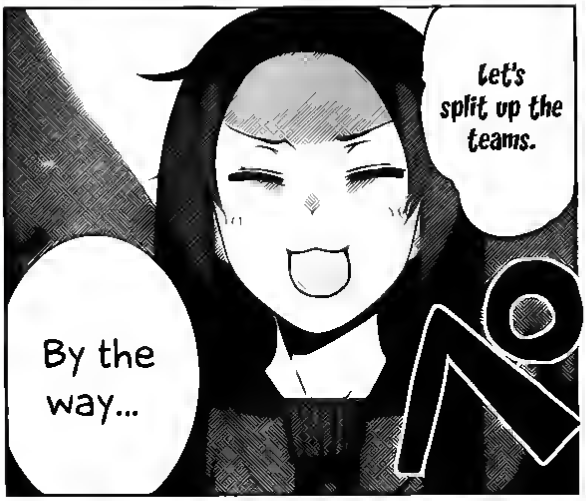
Still... is it really all right for us to just lounge around here? Even if this place does belong to the Tsuruyas...
Sure, why not? The old lady who owns the place said she liked having kids around again anyway.
Hey, I come here every year, so seriously, don't worry about it.
Well, if you say so, I guess it's fine.
KYON-KUN! I WANT TO GO BUG HUNTING!
What? You don't even have a net, do you?
AAH!

Of course she does...

We're doing the test of courage tonight, so we can't be out forever.
But bug hunting is summerish too, so it's fine!

You can have fun doing literally anything, can't you.
Might as well enjoy it, right?

GOT ONE!
IT'S HUGE!



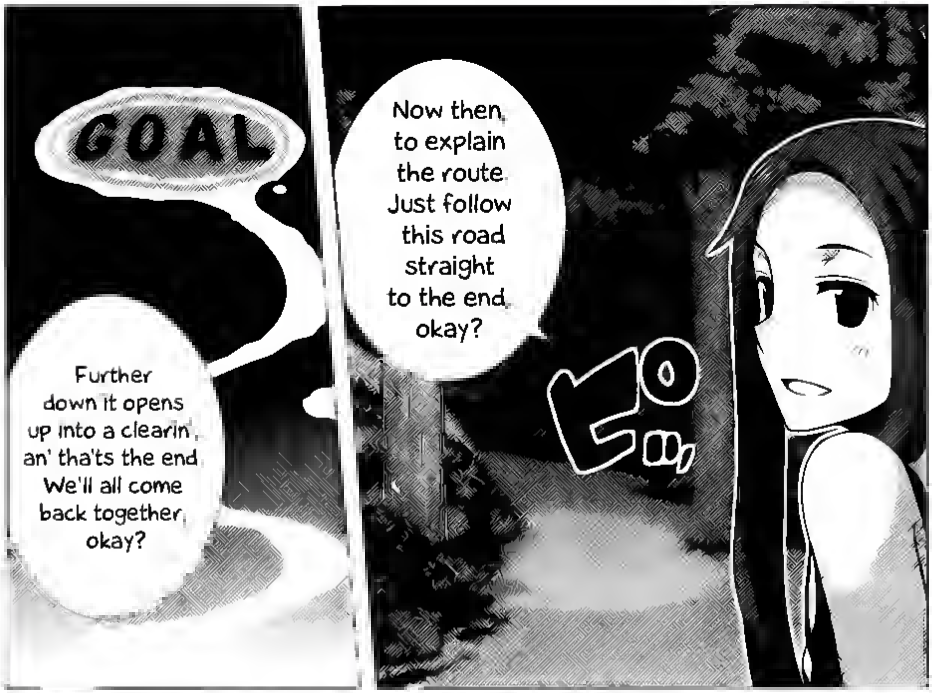
Let's split up the teams.
By the way...

Okay!

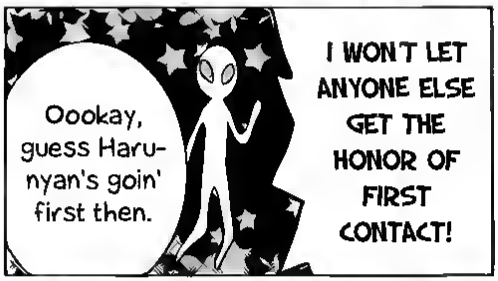
Anyway, it's nighttime, so let's make boy-girl groups to be safe
Splitting people up that way, we get...

Imouto-chan fell asleep, so we'll let her off the hook

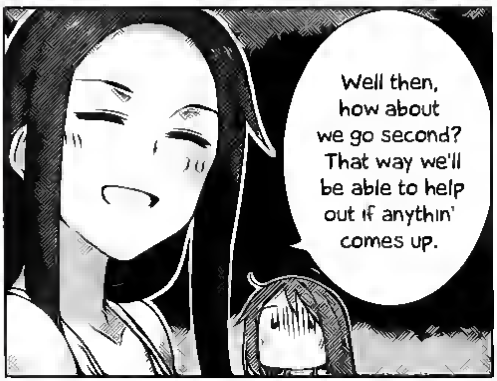
Team Kotzumi-kun and Haru-nyan!
And then an immediate exception with me and Mikuru.
And finally, the couple, Yukicchi and Kyon-kun~
COUPLE?!
Now... Imouto-chan's out, remember.
And we're not gonna make Ryou-tan go alone, so she's gonna stay here.
OH, DON'T WORRY ABOUT ME, EVERYONE!
☆
HAVE FUN WITHOUT ME~
She's no good with this kind of thing, huh...
モモ



GOAL
Further down it opens up into a clearin', an' tha'ts the end. We'll all come back together, okay?
Now then, to explain the route. Just follow this road straight to the end, okay?
ヒロ,



Oookay, guess Haru-nyan's goin' first then.
I WON'T LET ANYONE ELSE GET THE HONOR OF FIRST CONTACT!

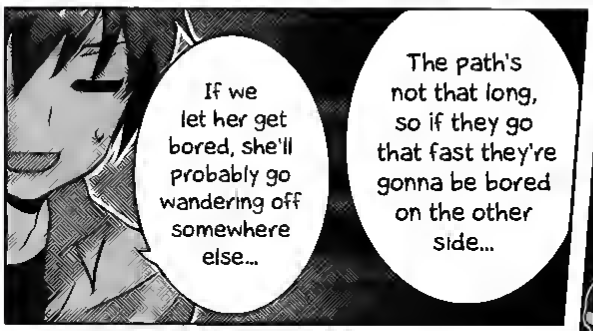


Well then, how about we go second? That way we'll be able to help out if anythin' comes up.

I'M GOING IN FIRST!
As for order...

LET'S GO ALREADY! KOIZUMI-KUN, I WANT AT LEAST THREE GHOSTS CAUGHT BY THE END!
Under-stood.

Okay, sounds good.
So we're going third then.



If we let her get bored, she'll probably go wandering off somewhere else...
The path's not that long, so if they go that fast they're gonna be bored on the other side...

ダダダーッ

Yeah, you're right... well, in that case we'll head after 'em a bit early.
You two wait like five minutes or so, okay?
ズサッ

Five Minutes Later
スッ
Well, wanna head out?
Yeah.
ザアアア
This feels just like the time at the beach...
More silence...
……

Oh, Nagato... are you okay with this kind of thing, by the way?
ポン
By 'this kind of thing', you mean ghosts and monsters?
Yeah.
I mean, I've spent a lot of time around you at night, and you always seem pretty collected, you know?
D-do I.? Maybe. I mean.. I'm actually not good with ghosts at all, really.
But... I'm sure I look like I'm okay, though.
ドキ

Ahaha... ha...

Because I'm with you...

KYAAA AAAAA AAA!
That was...!
Yeah, that was definitely Asahina-senpai.
Some-thing may have happened to them...

LET'S HURRY, NAGATO.
R-right!

WHAT ON EARTH...?!
A-ASAHINA-SENPAI!
Th-they're here...

What? But these are just...
They're fireflies.
They're fireflies~
They're so pretty...

うにゅ～
Eh? So, in the end, what senpai said she saw...
Yup! She mistook the fireflies' light for will-o'-the-wisps or floatin' souls or somethin' like that.
Don't tell me that last year...
AHAHAHA! YUP, SAME THING! IT WAS ENTERTAINING, SO I FIGURED I'D STAY QUIET UNTIL SHE NOTICED IT HERSELF~

Oh, nothin'!
I'm just gonna stay quiet until you notice it yourself.
?
woa
Well, well.

Geez, you're a trouble-maker...
にゅ にゅ

...Hey, what're you grinning for?
Nothing at all, geez...

Yup I was surprised - she had a much better selection than some crappy old store!
Oh, yeah.
You're borrowing those from Tsuruya-senpai right?

Wait, doesn't that mean Tsuruya-senpai should be with you guys?
I'm running myself ragged trying to keep it clean...
Of course I did Do you have any idea how much this cloth costs? There's no way we could ever afford something like these
I asked if we could keep 'em, you know, but Ryouko nixed that idea

Ah... about that..
Along the way, we came across a really showy salesman of some sort.
His stuff wasn't that good, but we couldn't tear Mikuru-chan away.

Just go on without us.

You should have seen Tsuruya-senpai's face.
Apparently she's the type who buys stuff out of mail-order catalogues and such, even if she doesn't need it at all.

Maybe a little.

Yeah. you're right
It's a painful story
Even knowing the two of them are different people, it's hard to separate them sometimes
I can't tell you what you should do to make things right.
Suzumiya-san and I are still trying our best, too, but.
So I'm not going to tell you to hurry up and get your feelings sorted out. I couldn't.
I'm sure...

As she feels herself drifting away from her friends...
The one suffering the most is that girl.
Without knowing the reason why...
I'm sorry...
Ah...

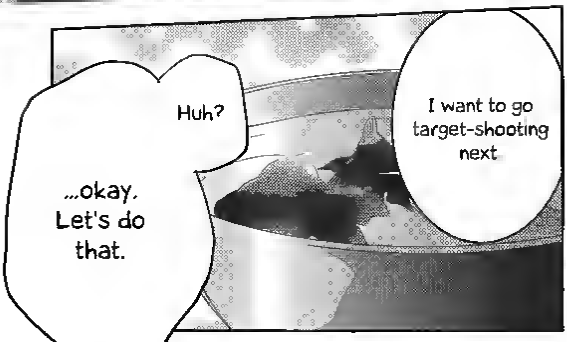
That's not right...
It's not.
Eh?
I was only thinking of myself.
I thought I was the only one worrying about it.
But I was wrong.

Kyon-... kun?
ドォン ドォン
Hey, they're starting!

Nagato, come with me for a minute.
Huh?
Eh? Eh?
Eh? What?

?

Hey, Ryouko.
Y-yes?



I want to go target-shooting next.
Huh?
...okay. Let's do that.

Wawa wa...
Wa!
Nagato, I...
ドゴドゴホン
Eh? What?
To be honest, even after you confessed to me I didn't realize it
Because I've never thought anyone could see me that way, you know?

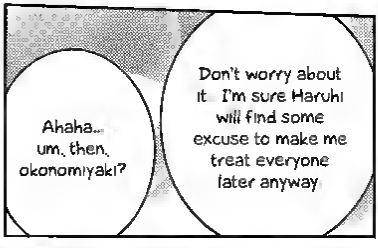
Well?! What was it about me that you liked?
What? I don't under-stand!
Exactly! I don't get it either!
So I'm just gonna get straight to the point.

...Have fallen in love with you.
Nagato.
I would tell you I...
And if I'd had a chance to answer you back then...

I don't hate you, Nagato.

...Did you hear that?
Not at all.
Man, I was worried there for a minute!
Okay! That's good.
Uh, let's see...
Ah.. right Sorry about all this.. it makes sense that you're confused
????

I know I was rude just now, but now that I've said what I had to, I feel a lot better.
I'm sorry for being so cold recently.
I'll be back to the old me from now on.
Man... I'm kinda hungry now.
How about you, Nagato?
I promise.



Don't worry about it. I'm sure Haruhi will find some excuse to make me treat everyone later anyway
Ahaha... um, then, okonomiyaki?

IN THAT SMILE, SURELY ...

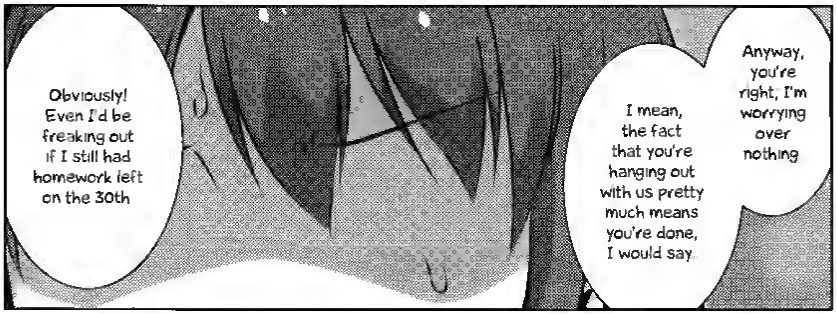
Who are you calling Mom?!
Oh, that's so like you! I bet you're good with finances too, Mom–
I made a schedule and got it all done by the beginning of August.
Don't be silly, Ryouko! Homework is something you do in July



Obviously! Even I'd be freaking out if I still had homework left on the 30th
I mean, the fact that you're hanging out with us pretty much means you're done, I would say.
Anyway, you're right, I'm worrying over nothing

I forgot...
I'm not... exactly done with mine yet...
Upon hearing these words, the two girls were struck with truly impressive expressions of disbelief.

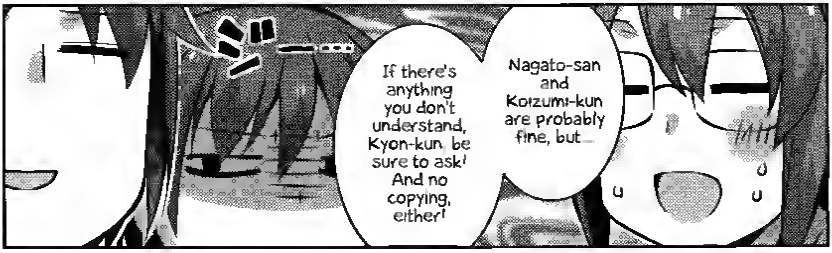
Um...

Uh, how do I put this... it's not easy to say, but...

Time to get things settled up
Over today and tomorrow, we're going to finish all the homework we have left

Alright, everyone
ぱんぱん
Kyon's House

おー
おー
Let's start the new semester with a clean slate!



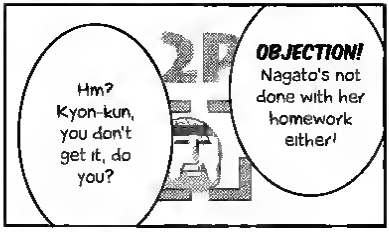
Nagato-san and Koizumi-kun are probably fine, but...
If there's anything you don't understand, Kyon-kun, be sure to ask! And no copying, either!

Ahah...
...and you're not even finished yet yourselves, you jerks!
That's dirty, you two... at the cafe, you just sat back and watched them take me apart...
I think doing it on the last day is better, for me...
I'm, umm... just good under pressure, you know?
Once we decided to do it at your house, all I had to do was go home momentarily and get my things.
さわー
I had planned to finish all of my homework on the last day from the beginning.
COME ON, STOP THE CHATTER!
L-let's do our best together!
Now, now, don't give up hope...
ズーン...
Fine, fine, I'm the only one here who's a useless failure...

SFX: RUMMAGING
Hey, quit digging around in my stuff
I wasn't. Don't insult my reputation
ガサガサ
Oh, hey, Kyon-kun
Is that so
Nope. Not that bored.
Oh? If you're bored, then you can do my homework for me
Anyways, what else am I supposed to do? I'm bored.
.. do you even understand what we're are doing here?
I wanna play this, so set it up.

Okay, that should be fine.
きゅっ
きゅっ
Uh.. RPGs, puzzles, fighters..
So? What do you want to play?
A fighting game.
Whadaya got?
And the TV?
Input 3
Let's see... character and stage select...
Right.
There has got to be a better way to phrase that
I like easy-to-understand games that don't need any kind of intro or rules and let you solve everything with violence
ボッ

Did you seriously think she'd let you get away with that?
That's enough. You're busy right now, Kyon-kun
ぽかっ
Oh, well I guess you'll need a second playe–



Hm? Kyon-kun, you don't get it, do you?
OBJECTION! Nagato's not done with her homework either!

Why do you think...
I've not said a word to her?

Gah I thought if I acted casual about it, she wouldn't notice...
And where in the world would you get that idea?
Well... since Suzumiya-san will need an opponent, I suppose I'll let Nagato-san and her puppy eyes do it
ぬぬー

Overnight.
It's because she can actually get it all done.
Without even worrying about it
Anyway... well, Kyon, what will you do? Waste today playing and spend all of tomorrow working?
No, Asakura-sensei. Forgive me
CAN YOU SEE IT?! THE HALO SUR-ROUND-ING NAGATO-SAN?!
DAMN... IT'S TOO BRIGHT TO LOOK DIRECTLY AT HER!
What are you talking about?!
I'm glad you understand
Sensei! Asahachi-sensei!
WHO ARE YOU TALKING TO?!
Come on, I want to play already

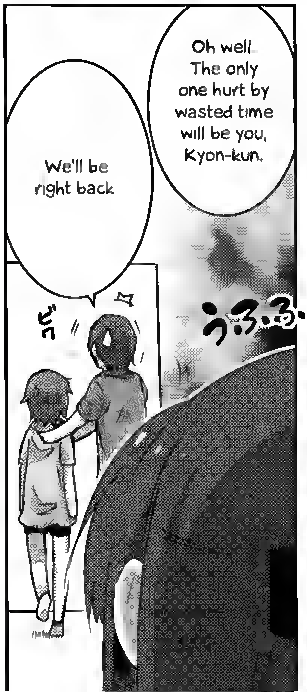
09
WINNER
WHAT'S WRONG? WHY DO YOU HOLD BACK?
HYA!
HIYA!
Uwaa!
Yay, I won!
Ko
Ah, the one-hit KO special!
Ehh?!
She moves like an amateur, but right when it counts, something changes; I can't read her at all!
Hmm .. maybe I'm some kind of fighting game genius!
Ko
I win again!
Wah!
DRAGON RISING!

I'm glad you two are having fun, but could you tone it down a little?
Yeah, sure. Actually, why don't we call a ceasefire for a bit, Yuki?
Okay
I guess, as the loser, I should make the trip to the convenience store.
Oh wow, Nagato-san lost at a game? That's surprising.
Grab me some chips, okay?
Okay

Honestly
Wha? Uhh- sure?
Plus, if she's buying stuff for all of us, someone should help her carry it! Right, Nagato?!

What you really want is written all over your face.
Asakura-sense! Someone's going to need to show her the way to the store, aren't they?!
RUN ESCAPE I WANNA STOP A BREAK

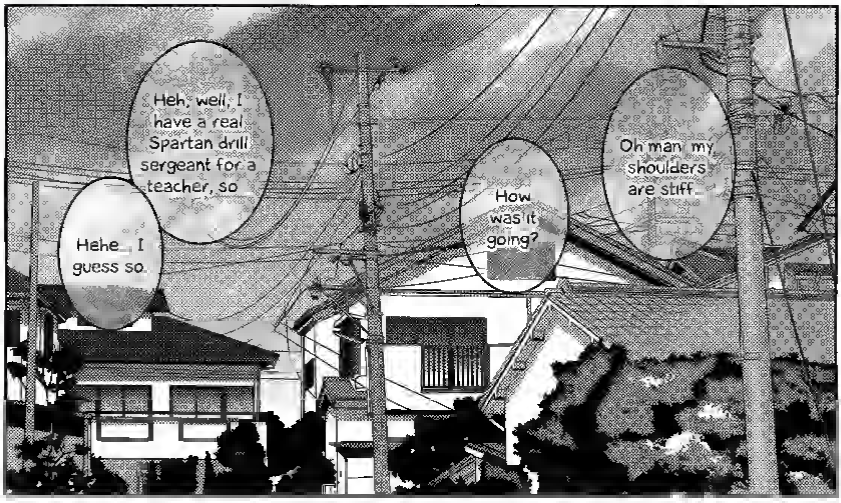
Alright!
Fine, let's take a break, then



We'll be right back
Oh well. The only one hurt by wasted time will be you, Kyon-kun.
ビシ
うふふ

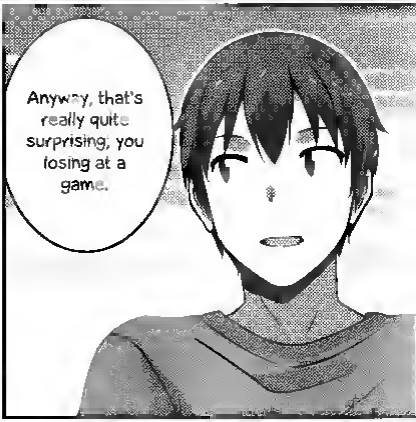
Alright, Nagato The selection's pretty bad, but let's go to the farthest one in walking distance.
At least pretend to have a good reason
オイッ
Hahaha...
あはは

Well? How's it going?
This part here...
Honestly.. those two were all but rushing into it before, and now.
Doesn't it feel almost like they've started over? Like there's been no progress at all?
SIGH
Does this mean you're going to make me follow them around and stuff again?
Oh, I just remembered. I heard about it during the summer session but about this year's cultural festival..
?
I think taking their time is better than rushing, don't you?
Like this
Oho
Well, yes, but...



Heh, well, I have a real Spartan drill sergeant for a teacher, so
Hehe... I guess so.
How was it going?
Oh man, my shoulders are stiff...

Well, regardless of whether it's my type or not...
Yeah, I guess you don't really seem the type.



Anyway, that's really quite surprising, you losing at a game.

Mm... well, I don't play fighting games very often...

M-my opponent...
ぼぇ…
Hm? Oh... yeah, I get that.
Asakura-san doesn't like playing games, either...
ドドド
Ah, that's why you looked so excited to play earlier, huh?
Geez.
Why didn't you say something earlier?
Right. I lost, but it was still fun.

If you're looking for an opponent, I'll take you on anytime.
Just playing against my little sister isn't exactly a challenge, you know?
Oh

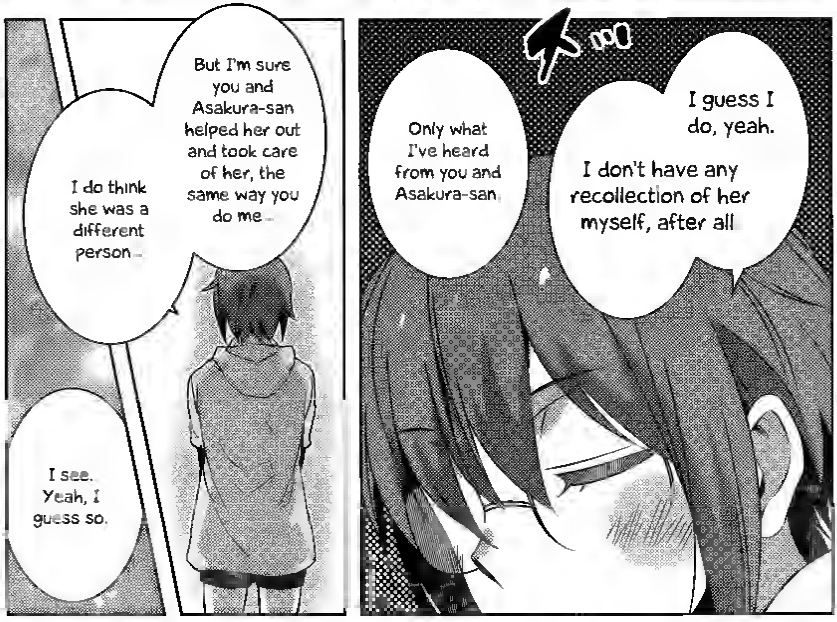
Y-you mean it?
Sure!

I'm happy to hear that.
.....
ドキッ

SFX: THUMP

Man, this is hard...
Not good, not good... things are back to normal now, but...
Sometimes I still feel so self-conscious
...
Hard?
Uh, can I ask you something?
?
Oh, uh, just talking to myself... nevermind.
ピ"ロ"

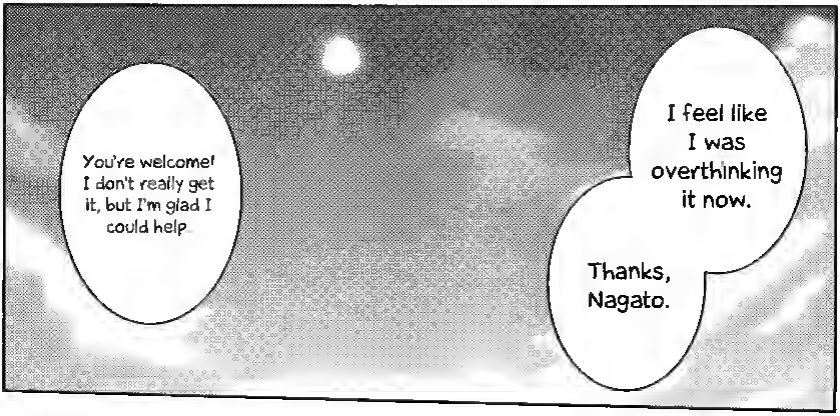
Hmm
Do you see that Nagato as a different person?
About when you lost your memories



I do think she was a different person...
But I'm sure you and Asakura-san helped her out and took care of her, the same way you do me...
I see. Yeah, I guess so.
Only what I've heard from you and Asakura-san.
I don't have any recollection of her myself, after all
I guess I do, yeah.
ppo

Of course I understand that logically...
But...
But...
I don't think she was a complete stranger.
I didn't become who I am all by myself. I had help from Asakura-san, and I had help from you...
You all helped make me who I am today.
And because of that,
Even though I never knew her, I feel like I understand this 'other me' a little
I'm sure Asakura-san spoiled her, too, for instance...
And I'm sure that she, too...

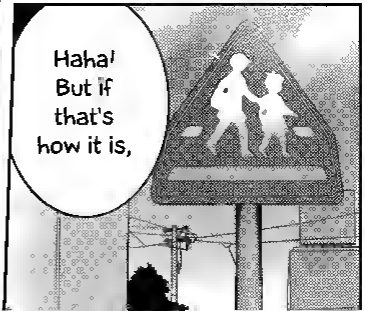
Ahaha...
I wonder if this is what feels like to have a twin
Oh, I see...
Before she even knew it...
Had fallen in love.
Well, of course she wasn't a complete stranger. It's only natural she was like you, really.
はぁ



I feel like I was overthinking it now.
Thanks, Nagato.
You're welcome! I don't really get it, but I'm glad I could help.

DOESN'T THAT MEAN THAT YOU ALSO-

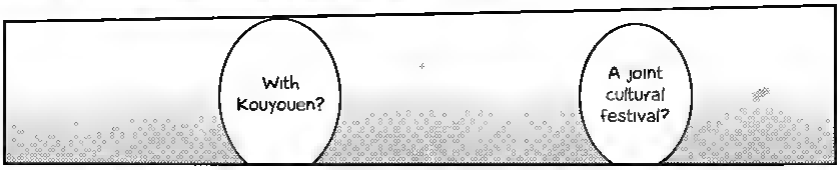
OH MAN, SO THAT'S HOW IT IS, HUH!
Huh?



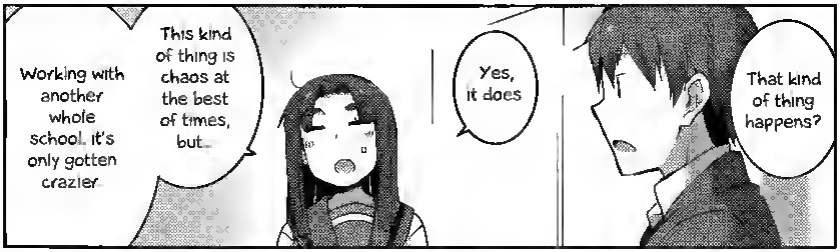
Haha! But if that's how it is,

Li...
Li?
...LIKELY WANT TO EAT SOME WATERMELON. RIGHT? I WONDER IF THEY SELL THEM AT THE CONVENIENCE STORE?!
Hm... I don't know about that...
ドキドキ
Crap, that was close... What am I doing, running my stupid mouth like that...
OH, WE SHOULD FIND A WATERMELON STAND!

The second trimester; October

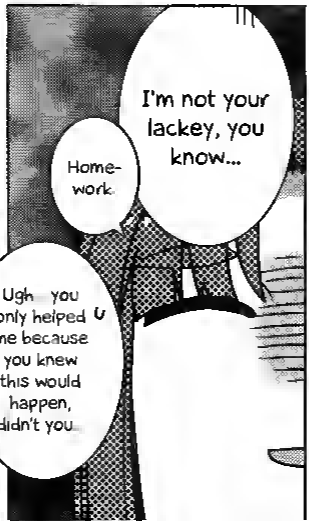


With Kouyouen?
A joint cultural festival?



Working with another whole school. It's only gotten crazier.
This kind of thing is chaos at the best of times, but...
Yes, it does
That kind of thing happens?

I'm so very glad you understand~
Fine, fine. I'll help out.



Ugh... you only helped me because you knew this would happen, didn't you...
Homework
